**RE: CPUC Rulemaking R.04-03-017**  
**CEC Investigation 04-DIST-GEN-1**

Dear Docket Clerk:

Enclosed for filing with the California Public Utilities Commission (CPUC) are an original and six copies of the California Energy Commission's report entitled: *Recommended Changes to Interconnection Rules* (Publication CEC-100-2005-003-CMF). The report makes conforming changes to the Integrated Energy Policy Report Committee Recommendation adopted at the Energy Commission's February 2, 2005, business meeting and is provided to support our continuing collaboration with the CPUC related to distributed generation issues.

With the concurrence of ALJ Malcolm, the Energy Commission is sending this letter to the R.04-03-017 service list without the above-mentioned report. However, any party desiring a copy of the report or any supporting documents can download them from the Energy Commission's website at the following web link: [www.energy.ca.gov/distgen\\_oii/documents/index.html](http://www.energy.ca.gov/distgen_oii/documents/index.html).

We understand this report will be received by the CPUC for consideration and adoption of related utility tariff provisions. To assure that a complete record of this proceeding may be applied to R.04-03-017, we are enclosing the following materials in addition to the above-mentioned report:

1. Energy Commission Order 05-0202-05, issued February 2, 2005.
2. Publication CEC-100-2005-003-CTF, *Recommended Changes to Interconnection Rules*, issued January 6, 2005.
3. Public comments on Publication CEC-100-2005-003-CTF, filed by Southern California Edison, Pacific Gas and Electric, Cogeneration Association of California/ Energy Producers and Users Coalition, City of San Diego, and Bluepoint Energy.
4. Transcript Related to Item #5 on the Energy Commission Business Meeting, February 2, 2005.
